

**SUMMER  
2005**

# AQUATIC *Splash!*

## **Moore Aquatic and Fitness Center ♦ McConnell Sports Complex**

### **Center closed on Sundays & at 8 pm weeknights starting in June**

Beginning June 1, 2005 the Aquatic & Fitness Center will operate on new hours. Due to City budget constraints, the facility will be closed on Sundays and will close an hour earlier on the week nights, at 8 pm. These are the days and times that the facility is least used, and by closing, the City will save \$14,000 annually.

### **Fee structure is changing July 1**

Beginning July 1, 2005, all annual membership will be based on the City's fiscal year, July 1 - June 30. As an annual member you will be billed a pro-rated amount based on your due date. All annual memberships will be paid in full on July 1 of the following year. Monthly and quarterly fees will be more consistent with annual fees, but application fees will still apply. Fee Structure sheets are available at the front desk if you need a more complete explanation of the fees.

### **Get ready for another busy summer**

It is that time again! The Aquatic Center Staff is preparing for another busy summer. Members, please expect more children to be using the pool. Please check the event schedule for organized classes, as well as group rentals, and open pool, as these times may be crowded. Lap swimmers may want to come out before 8 am.

Please take caution to secure your belongings, and do not leave anything of value unattended. As a reminder, lockers are available for rent or may be used for

the day at no charge. We do not supply locks.

### **Swimming lessons offered**

The Moore Aquatic & Fitness Center will be offering three sessions of intermediate level swim lessons at noon on Mondays through Thursdays. Adult swim lessons will be offered this summer on Saturday mornings. Water Babies is also available on Saturday mornings. Please contact the Center for specific dates and fees.

### **Gators move outdoors for summer**

The Gators swim club is moving outside to the Washington Swim Club again for the summer, where it becomes the Washington Whitecaps. The club is open to children and youth ages 5 to 18. Swimmers must be able to complete at least 25 yards of the pool without stopping. The fee for the summer is \$80 per swimmer. Contact Coach Scott at 945-8400 for more information.

### **Fall water aerobics classes sign-ups**

Registration for water aerobics during the months of September, October, and November will be held the week of August 22 through the 26. These classes are offered to members at no charge, and are available to non-members for \$35 per month.
